Dear Friends,

We hope you will join us for the 39th Nantucket Retina meeting, taking place July 17-18, 2025, at The Nantucket Inn. Newcomers to the meeting can expect dynamic discussions between junior and senior retina specialists, along with industry experts, beginning with our annual welcome reception on July 16th on the lawn of the White Elephant.

To ensure the most engaging and lively exchange of ideas, all physician participants will give 15-minute presentations on interesting aspects of retinal diseases: focus could be original scientific work, a case report, experience with a new surgical technique or instrument, or even a straightforward thematic question of interest. If you'll be joining us this summer, we ask that you please submit presentation ideas by June 20, 2025, ensuring all registrations, abstracts, extra tickets, and fees are also completed by that date. **To register for the meeting and reserve your spot, [click here](#).**

All participants and guests are encouraged to attend the welcome reception on Wednesday evening. The Thursday and Friday meeting sessions will follow a morning schedule, leaving the afternoons free for you to explore the island at your leisure. On Thursday, July 17th, we invite you to join us for a traditional New England clambake that the entire family will enjoy. Your registration fee will include participation in the welcome reception, meeting, and clambake for one adult. Clambake tickets for spouses, children, and guests may be purchased on the event site for an additional fee. See [website](#) for breakdown of ticket costs. Each participant is responsible for their own travel and accommodation expenses.

This year, we are excited to host the meeting at The Nantucket Inn, conveniently located across the street from the airport. We have secured room blocks at two locations to provide attendees with favorably priced nightly rates.

- The Nantucket Inn (onsite): \$699-\$749/night, while supplies last
- Jared Coffin House (in town): \$595/night, while supplies last

Space is limited, so please don't wait to make your reservations. Visit the [2025 registration site](#) for details on how to access these special rates. Keep in mind that Nantucket is a top summer destination, so it is best to book travel and lodging as early as possible regardless of where you plan to stay.

We look forward to seeing you in Nantucket!

Sincerely yours,
