*Guests will need to walk ~250 ft from the bus drop-off point to the Rubaltelli's driveway, then to the tent. The road may be uneven in spots so please wear comfortable shoes. For those who wish to drive, parking is available on the far side of the property. Do not follow the GPS and instead take Polpis Rd to Wauwinet Rd, then turn right onto Eat Fire Spring Rd. Follow Eat Fire Spring as it curves to the right. There is a long area of frontage along the road and guests can park where the grass meets the road.
